

Statement of Faith

We believe:

- The Bible as the complete, inspired, inerrant Word of God
- One God, eternally existent in three persons: Father, Son, and Holy Spirit
- The vicarious death of Jesus Christ for our sins, His virgin birth, His bodily resurrection, and His personal return
- The necessity of the presence and power of the Holy Spirit in the work of regeneration and the building of the body of Christ
- The power of prayer
- The sanctity of life and each child as a gift from God
- The family, one male and one female parent with one or more children, related by the institution of marriage, is the basic governmental, social, and spiritual entity created by God and recognize the exception of single parenthood or guardianship
- That God creates each person as male or female and that an individual's gender corresponds with his or her God-given biological gender

These truths are foundational to our purpose. However, no particular religious affiliation is required for membership in the THEA, nor is any religious affiliation implied by membership.
